EYE FOR DESIGN?

Send us your designs and each month there will be a prize for our favourite.

What kind of glasses would you wear? Big frames or small? Round or star shaped? Bright colours or simple? Design your perfect pair of glasses on the face above.

SPOT THE DIFFERENCE

The eagle eye is among the strongest in the animal kingdom, with an eyesight estimated at 4 to 8 times stronger than that of the average human. How eagle eyed are you? See if you can spot eight differences between the two images below. Circle the differences on the picture and tick them off below as you find them.
